

Willing to serve as President
Ready to Fight to save DC PUBLIC SCHOOLS

TIMOTHY JENKINS

Commits to these policy initiatives

- Improved academic performance
He will promote quality preparation for both college & opportunities in the growth sectors of DC's economy.
- Greater school safety
He will promote a protected classroom climate with zero tolerance, rapid enforcement, & teaching a culture of self discipline.
- Skilled vocational & career training
He will promote in-school business/labor partnerships, state of art facilities & pre-employment job commitments.
- Professional support for teachers & principals
He will promote school-based university courses for certification & continuing education, & a new management academy for principals
- Accelerated rehabilitation of facilities
He will promote step-by-step contract management, cost incentive contracting, & severe sanctions for non-performance
